Accordingly, we are in a position to render even prompter and more extensive legal services in connection with tax matters. Außerhalb einer festen Kooperation arbeiten wir innerhalb der Bundesrepublik Deutschland, wie auch weltweit mit befreundeten Anwaltskanzleien und sonstigen Rechtsberatern zusammen. Eine enge Zusammenarbeit besteht mit Unternehmens- und Personalberatungsgesellschaften:

Moreover, Wesch & Buchenroth works closely together with business and personnel consultants, such as EVENTUS Unternehmens- und Wirtschaftsberatungsgesellschaft mbH in Sachsenheim and with ISPA Consulting Prof. Dr. Ackermann GmbH with offices in the same building as Wesch & Buchenroth. There is also a loose cooperation with an US-consultant advising companies, mainly from Germany, starting or having a business in the US. Thus we can support companies and individuals not only regarding legal questions but also as to their economic and international activities.

Furthermore, we correspond with numerous law firms and other legal consultants not only in Germany but worldwide.
